It's nice to see you here today, we've got some special songs to play.... X2

Just like me!

Can you reach up high, reach up high just like me?

I can reach up high, reach up high, just like you...

Can you nod your head, your head just like me?

I can nod my head, nod my head, just like you!

Can you sway from side to side?

Can you clap clap clap clap your hands?

Your turn!

Can you bounce?

My bonnie

My bonnie lies over the ocean,

My bonnie lies over the sea,

My bonnie lies over the ocean,

Oh bring back my bonnie to me,

Bring back, bring back, oh bring back my bonnie to me, to me X2

Gentle waves

On the horizon, where sky meets sea,

Let gentle waves echo your dreams...

worries may come your way, stresses and strife,

The stormy seas are part of life....

Neesa

Neesa neesa neesa..... gaiaway oh...

I would give you laughter,

Happiness, compassion,

To be a thoughtful person, gaiaway oh, gaiaway oh,

I would give you self worth, confidence and passion,

To be a faithful person, gaiaway oh, gaiaway oh,

I would give you music, singing fun and dancing,

To be a joyful person, gaiaway oh, gaiaway oh...

Estoy Feliz

Estoy feliz X 4 (I feel happy)

Cuando la canto (when I sing)

Estoy feliz X 4

This is my happy song,

Why don't you sing along...

This is my happy song,

Singing and smiling all day long...!
