Is the moon tired? By Christina Rossetti

Is the moon tired? she looks so pale

Within her misty veil:

She scales the sky from east to west,

And takes no rest.

Before the coming of the night

The moon shows papery white;

Before the dawning of the day

She fades away.

Twinkle twinkle

Twinkle twinkle, little star,

How I wonder what you are,

Up above the world so high,

Like a diamond in the sky,

Twinkle twinkle, little star,

How I wonder what you are.

Lavender's Blue

Lavender's blue dilly dilly , lavender's green,

When you are king dilly dilly, I shall be queen

Who told you so, dilly dilly, who told you so?
Twas' mine own heart dilly dilly that told be so,

Sleep tight, sleep tight, sleep tight till the morning light X 2

Sweet dreams my love, dilly dilly, sweet dreams my dear,
When you wake up dilly dilly, I shall be here.

No need for tears dilly dilly, no don't you cry,
Give me your hand dilly dilly, I'll give you mine

Sleep tight, sleep tight, sleep tight till the morning light X 2

Goodnight

Goodnight, sweet dreams, sleep tight,
Till the morning light, sleep time

Good night, close your eyes sleep tight,
Till the morning light, sleep time

Time to sleep

Time to sleep, time to sleep,
Na ni na ni time to sleep,
Give me a hug, and give me a kiss,
Na ni Na ni, time to sleep,
By o by, By o by,
It's time to sleep....
